

SCHNEIDER IN BASLE

Our team in the Swiss transportation hub of Basel specializes in forwarding goods overland throughout Europe, as well as sea freight to and from North America and the Far East. We also provide comprehensive warehousing, distribution and contract logistics services.

Main activities

European overland transport

- Groupage freight, full load consignments, express and time-definite freight
- Customs clearance, EU customs formalities, tax representation for France
- Regular and network traffic to and from Belgium, Germany, England/Scotland, France, Greece, Ireland, the Netherlands, Norway, Austria, Portugal and Spain
- Regular traffic to and from Slovakia, Hungary and Poland

Sea freight

- Groupage freight, full load consignments and customs clearance
- To destinations worldwide, especially the USA and the Far East

Logistics

- Contract logistics and value-added logistical services at our own logistics platform in Saint-Louis, France (near the euroAirport Basel-Mulhouse-Freiburg)
- Warehousing and distribution at the Pratteln warehouse
