

Logistics since 1865.

The Schneider Group, founded in 1865, is an internationally oriented medium-sized freight forwarding company. With 620 employees at locations in Switzerland, France, the Netherlands, Liechtenstein, Austria, the UK, Asia and the USA, we coordinate freight transports in cross-border traffic for our customers. In addition to land transport, sea and air freight, Schneider offers comprehensive services in customs clearance, logistics and special services.

For our subsidiary **ASR Forwarding UK** focused in oceanfreight and airfreight we are looking for an experienced and reliable:

Branch Manager (m/f)

Job brief

The tasks contain managing and monitoring the operational and administrative processes as well as the further development of the organization within new fields of activities (i.e. groupage services within Europe / customs clearance services / etc.). The goal is to manage the entire business unit so as to enhance business development and ensure sustainability and customer satisfaction.

Responsibilities

- Strategically plan and manage operation and customer service
- Direct, optimize and coordinate full order cycle
- Liaise and negotiate with suppliers and customers
- Resolve any arising problems or complaints
- Supervise, coach and train workforce
- Meet cost, productivity, accuracy and timeliness targets
- Maintain metrics and analyze data to assess performance and implement improvements
- Comply with laws, regulations and requirements

Requirements

- Proven working experience as forwarder and logistics specialist
- Record of successful distribution and logistics management
- Demonstrable ability to lead and manage staff
- Excellent analytical, problem solving and organizational skills
- Ability to work independently and handle multiple projects
